Dear Reverend Monsignor,  
Dear Reverend Father,

These courses are available for couples marrying at parishes where a marriage preparation course is not available, as well as for couples who are unavailable to attend a course being offered at their own parish. The date for Catholic Engaged Encounter (held at Resurrection College in Waterloo) is also listed on the sheet provided. Couples may register on-line for a CEE weekend on the Diocesan website.*

*Included with this letter are information cards/bookmarks to be handed out to the couples needing marriage preparation. **The couples can register on-line on the Diocesan website or they can contact the office directly from the information on the card, to book their course.** Courses fill quickly, so please remind couples to register for a course **as soon as you have set the wedding date with them.** If additional cards are required, please call Lena at ext. 2249.*
